Study at some of the finest Institutions in the World through
our exclusive Joint International Pathway Programmes

International Pathway Programmes at GLS University

The GLS University International Pathway Programmes prepare a student to have a global educational experience, through our exclusive partnerships and pathway arrangements with several institutions of repute at Canada, Australia and USA.

Under these agreements, a student can commence studies at GLS University as a regular student in Bachelor of Commerce, Business Administration or Design for first one or two years (as applicable) and then pursue rest of their course in the country and university they choose out of the GLS International Partnership Program in Australia, Canada and USA.

This gives an opportunity to the student to acclimatize themselves to the international learning environment along with building a solid foundation in the chosen discipline at GLS University. The idea behind this is to provide a great amount of preparation and learning for the students who have just passed their high school who has the aspirations to have an international career,

The GLS International Pathway Programmes aim to provide the students with world-class education and an open-minded, global perspective in an inclusive learning environment, it can be considered as a foundation course that is designed to help GLS students build the skills, knowledge, qualifications and confidence that they will need to enter a bachelor's or master's degree program overseas.

The program focuses on entry to undergraduate degrees in Business, Commerce, Accounting and Design.

Key Points:

- Study first year/second year @ GLS and then study rest of the two years at one of the partnered institution at USA/Canada/Australia.
- Spend only two years of tuition fees in \$\$ Dollars as the student pays regular fees to study at GLS University resulting into substantial savings.
- GLS University has exclusive arrangements with the partner institutions for scholarships ranging from 10% to 50% based on the merit of the student.
- The students would be taught advanced English as part of their curriculum in first year @GLS, this would help them to score sufficiently in IELTS to apply for their visa for foreign education.
- End to End Process Management which includes University/college Enrollment, Visa paperwork and Lodgment, Pre-and Post Departure service will be undertaken by GLS University.
- The students who enroll in these program and finish their degree in foreign country would also be eligible for post study work rights in the respective countries and have a great chance for securing permanent residence as per the applicable immigration laws.

Georgian College, Canada

Georgian College is a Government aided public college of Applied Arts and Technology in Ontario, Canada. It has 11,000 full-time and 28,000 part-time students across seven campuses, the largest being in Barrie. Georgian is one of the fastest growing colleges in Ontario

The college was established during the formation of Ontario’s college system in 1967. Colleges of Applied Arts and Technology were established on May 21, 1965 when the Ontario system of public colleges was created

Georgian College offers academic upgrading, apprenticeship training, certificate, diploma, graduate certificate, college degree and university programs in such areas as Aboriginal studies, automotive business, business and management studies, community safety, computer studies, design and visual arts, engineering technology and environmental studies, graduate certificate studies, health and wellness studies, hospitality, tourism and recreation, human services, liberal arts and university studies.

College Highlights

Georgian College is recognized for its partnership with more than 6,200 local and international employers. Co-op programs allow students to gain paid work experience in their professional field along with their studies. Georgian's program curricula focuses on developing job-relevant skills that help students excel in the workplace. Georgian is the only college in Canada to have received the CAFCE program accreditation, for excellence of its co-op programs. Not surprisingly, for more than a decade, they have maintained one of the highest graduate employment rates among Ontario colleges.

California Baptist University, USA

California Baptist University (CBU) is one of the top universities in Southern California. CBU offers bachelor's, master's and credential programs in Riverside, San Bernardino and online.

California Baptist University believes each person has been created for a purpose. CBU strives to help students understand and engage this purpose by providing an intellectual educational experience that integrates academics with spiritual and social development opportunities. Graduates are challenged to become individuals whose skills, integrity and sense of purpose glorify God and distinguish them in the workplace and in the world.

University Highlights

- Founded in 1950 by the California Southern Baptist Convention
- Fall 2016 enrollment of 9,157 students
- 72 bachelor degree programs, with 150 major concentrations and 47 minors
- 25 master degree programs, with 45 concentrations
- 3 doctoral programs
- 2017 U.S. News & World Report Best Regional University
- More than 30 Accreditations and approvals from renowned national and international bodies of USA

Riverside Campus Profile

The beautiful 160-acre main campus of California Baptist University is situated in the heart of Riverside's historic Magnolia Avenue district just a short drive from popular beaches and mountain resorts. The main campus is comprised of more than 30 buildings featuring the 94,800 sq. ft. Eugene and Billie Yeager Center, separate men's and women's residence halls, multiple apartment complexes and modular housing, the 270-seat Wallace Theater, a fitness center, one of the region's largest aquatic centers, the Annie Gabriel Library, the Van Dyne Gym, and the JoAnn Hawkins Music building, one of the nation's most advanced music production and recording facilities.

University of Newcastle, Australia

University of Newcastle stands as a global leader distinguished by a commitment to equity and excellence and to creating a better future for its regions through a focus on innovation and impact. The University of Newcastle is a leader in university education, with a reputation for high quality teaching and learning and exciting, contemporary academic programs.

Demonstrating their commitment to relevant teaching is their approach to problem-based learning, first pioneered by them some 25 years ago, which underpins their degree programs in Business, medicine, engineering, architecture, nursing, social work and law.

- In 2013, the University of Newcastle announced NeW Space - a \$95 million (INR 450 Crores) landmark education precinct in Newcastle CBD that will harness the latest in technology and innovation in teaching and learning to deliver a world-class student experience.
- Amid intense global competition, their reputation for delivering world-class teaching and learning has attracted students from more than 100 countries. The university works hard to continually improve the experience of our diverse student population.
- The University of Newcastle is a research-intensive University focused on improving the quality of life in our regions and around the globe. Their academics, students and staff pursue innovative solutions to the world's great challenges.
- UON ranked among the top 1% of the world's universities, according to the QS World University Rankings 2017/18.
- The University has six subjects ranked in the world's top 100 and an overall total of 15 subjects ranked in the world's top 200. The University is ranked top 8 in Australia for research 'well above world standard' by Excellence in Research Australia, 2015.
- These independent rankings are evidence of their commitment to excellence, purposeful research, uncommon innovation and the highest standards in educational outcomes.

GLS University

Gujarat Law Society (GLS) established in the year 1927, is one of the largest educational consortiums in the State of Gujarat. GLS was promoted by luminaries such as Shri Sardar Vallabh Patel, Shri Ganesh Mavlankar, the first speaker of the country and was nurtured by revered personalities such as Shri I M Nanavati with a steadfast resolve to achieve Excellence in Education.

With the advent of the era of self-financing educational institutions, GLS took a pioneering role by offering programmes in several disciplines such as Design, Business Management, Computer Technology, Commerce, etc. in addition to the those already offered in areas of Law and Humanities.

GLS has also been offering a wide range of professional programmes encompassing various functional and vertical specializations such as Human Resource Management, Banking and Insurance, CA, CS, Professional Accounting, Export Management, Personality Grooming and Communications Skills etc.

All the courses offered at GLS have a high preference and acceptance in the student community as well as the corporate fraternity.

Based on the services rendered by GLS for more than eight decades, GLS University was established by an act of Gujarat Legislative Assembly in the year of 2015 to continue the mission of promoting body - Gujarat Law Society. The prime philosophy of GLS University is to provide an ideal and creative learning environment and create thought leaders, who can bring about the much needed change in the fabric of the society.

Since the establishment of GLS University, it has endeavored to introduce programmes, design their course structures and curriculum benchmarked as per the best prevailing global standards. It is this continued quest that GLS University in acquaintance with its international partners is poised to offer first of its kind joint International programmes in the area of business and design education.
