- No negative marking

STUDENTS TESTIMONIALS

Being a part of GLS (FOBA) gave me an opportunity to have a dual degree course of BBA+ACCA. The college and the faculties have always encouraged and have been supportive throughout the journey. With the great support of college and faculty co coordinator I have completed 3 papers and have finished up with Diploma in Accounting and Finance. I can surely say that doing ACCA with BBA is not so easy but with GLS BBA it is possible.

ACCA is accounting course which is globally accepted and provides opportunities worldwide. Pursuing ACCA from GLS University is beneficial as we get exemption of 6 papers and are supposed to give only the remaining 7 papers out of the 13 papers. I have cleared my financial reporting paper in March 2021.

I am a Student of GLS (FOBA) pursuing dual degree course of BBA+ACCA (association of chartered certified accountant, UK).

With the assistance of my college and the faculty coordinator I have cleared 2 papers, so far. Doing ACCA with BBA is not a piece of cake but with the combination of hard work, consistency and proper guidance it is possible with investment of minimum amount of time and money at GLS BBA.
